CONSUMER INFORMATION

Safety Precautions: Parental guidance is required. Bluebee Pals are not intended for children under 3 years. It is not recommended to operate the toy on a bed. Make sure the power is off when not in use. Dispose of the packaging safely before giving the toy to your child.

Bluebee Pals are designed for indoor use only.

Avoid operation under direct sunlight or in hot, humid or dusty places. Keep toy away from heating appliances and sources of electrical noise such as fluorescent lamps or motors. Do not immerse in water, do not play around water as it is a hazard and may cause electric shock.

The Bluetooth® word mark and logos are registered trademarks owned by Bluetooth SIG, Inc. any use of such marks by Kayle Concepts LLC. is under license. Other trademarks and trade names are those of their respective owners.

CAUTION WHEN CHARGING BATTERY

Your Bluebee Pals is equipped with a built in Lithium Polymer battery. The recharge process should always be handled by an adult.

Note: Your BluebeePals will not operate while charging.

Bluebee Pals

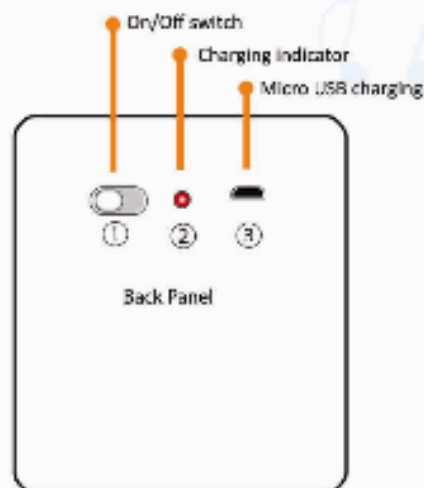

Congratulations on your Bluebee Pals Purchase. We are excited to launch a new revolutionary plush companion. Bluebee Pals are Bluetooth Enabled Interactive Plush Toys that connect to any App with Bluetooth enabled devices such as cell phones, tablets, lap tops or desk top computers.

A huggable plush toy that sings, reads and answer phone calls. Our advanced technology includes lip synchronization allowing the animal's "mouth" to move while singing, reading your favorite storybooks or learning apps. Surprise and entertain your family and friends with a phone call connected to a Bluebee Pals.

We recommend reading our instructions and watching our video at www.bluebeepals.com for easy set-up instruction.

Function buttons

- ① Power Switch ON/OFF Switch
- ② Charging Indicator-Red Charging/Blue Fully Charged
- ③ Micro USB charging jack.
- ④ Right Ear Press for Pairing
- ⑤ Left Ear Press Call Answer/Hang Up Button

Pairing Bluebees Pals with your Bluetooth Device

- Keep Bluebee Pals and your device within 3ft when pairing.
- Turn on -Open the back panel of the Bluebee Pals and slide the power switch ① to ON position.
- Press and hold the pairing button ④ on the right ear of Bluebee Pal until a short melody sounds.
- Go to "Settings" on your device and turn on the Bluetooth and search for "Bluebee Pals". Important: Press on the Bluebee Pals Indicator to complete the connection.
- If the pairing is successful, a beep sound will be occur and the blue pairing indicator will flash.
- Pairing mode will last for 5 minutes, Bluebee Pals will go to into sleep mode if pairing is not successful. Turn off the power and switch it on again, repeat the pairing procedure above.
- Bluebee Pals can only connect with one device at a time.

Answer a Phone Call

You can talk to your child or friends through the Bluebee Pals by calling a cell phone paired with them. When there is an incoming call, your ring-tone will sound from Bluebee Pals (this function may vary in different brands of cell phones).

Press the call button ⑤ once to answer the call.

To end the call, simply press the call button ⑤ once again.

You can adjust the volume from your cell phone as you would normally do.

Recharge your Bluebee Pals

When the sound volume becomes low, or the Bluetooth connection cuts off continuously, it is time to recharge your Bluebee Pals. Plug the USB cable (supplied) to the Micro USB charging jack ③ and connect to your PC for charging. You may also use a USB wall adapter (not included) to charge directly from any household wall outlet. Charging indicator ② is red during charging. It turns to blue when the battery is fully charged and gives up to five hours of operation.

Remarks

Specific pairing steps may vary for different devices. Please refer to your device's user manual for further information. Operation range of Bluebee Pals is 25ft. from the Bluetooth device in an open area.

Control the sound volume from your Bluetooth device as you would normally do.

FCC NOTE: U.S. ONLY

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

- 1) This device may not cause harmful interference.
- 2) This device must accept any interference received, including interference that may cause undesired operation.

Warning: Changes or modifications to this unit not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. The manufacturer is not responsible for any radio or TV interference caused by unauthorized modifications to this equipment. Such modifications could void the user's authority to operate the equipment.

Note:

This equipment has been tested and found to comply with the limits for a class B digital device, pursuant to Part 15 of the FCC Rules. These Limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try and correct the interference by one or more of the following measures: • Reorient or relocate the receiving antenna • Increase the separation between the equipment and receiver • Connect the equipment to an outlet on a circuit different from that to which the receiver is connected • Consult the dealer or an experienced radio/TV technician for help.

INDUSTRY CANADA NOTICE: CANADA ONLY

This device complies with Industry Canada Licence-exempt RSS-210. Operation is subject to the following two conditions:

- 1) This device may not cause interference.
- 2) This device must accept any interference, including interference that may cause undesired operation of the device.

INFORMATIONS POUR LE CONSOMMATEUR

Précautions de sécurité : La surveillance parentale est requise. Bluebee Pals n'est pas destiné aux enfants de moins de 3 ans. Le fonctionnement sur un lit n'est pas conseillé. Veillez à ce que le jouet soit éteint après l'utilisation. Jetez l'emballage de façon sécuritaire avant de donner le jouet à votre enfant. Bluebee Pals est conçu pour l'utilisation à l'intérieur seulement.

Évitez le fonctionnement sous le soleil direct ou dans des endroits chauds, humides ou poussiéreux. Tenez à l'écart des appareils de chauffage et sources de bruits électriques telles que les lampes fluorescentes des moteurs. Ne l'immergez pas dans l'eau, ni ne jouez pas près de l'eau afin d'éviter tout risque de choc électrique.

La marque et les logos Bluetooth® sont des marques déposées qui appartiennent à Bluetooth SIG, Inc. Toute utilisation de ces marques par Kayle Concepts LLC se fait sous licence. Les autres marques de commerce et appellations commerciales appartiennent à leurs propriétaires respectifs.

ATTENTION LORS DE LA CHARGE DE LA BATTERIE

Les Bluebee Pals sont munie d'une batterie au lithium polymère intégrée. Un adulte devrait toujours s'occuper de la recharge.

Remarque: Vos BluebeePals ne fonctionneront pas pendant la charge.

Bluebee Pals

Nous vous félicitons d'avoir acheté un Bluebee Pals. Il nous fait grand plaisir de lancer un nouveau compagnon en peluche révolutionnaire. Les Bluebee Pals sont des jouets en peluche interactifs compatibles Bluetooth qui se raccordent à toute application avec des appareils compatibles Bluetooth dont un téléphone cellulaire, une tablette, un ordinateur portable ou un ordinateur de bureau.

Un jouet en peluche adorable qui chante, lit et répond aux appels. Notre technologie avancée comprend la synchronisation des lèvres ce qui permet «la bouche» de l'animal de bouger en chantant ou lisant vos livres d'histoires ou vos applications d'apprentissage préférés. Surprenez et amusez vos proches et amis par un appel téléphonique relié à un Bluebee Pals.

Nous vous conseillons de lire les instructions et de regarder la vidéo (en anglais) au www.bluebeepals.com pour faciliter le montage .
